

## "AM CERTAINLY DELIGHTED; TANLAC HAS DONE MORE FOR ME THAN ANYTHING"

"I suffered from stomach trouble for a long time, had severe headaches and pains in my back and cramps in my stomach. These pains would usually come on after I had eaten, but occasionally would come without any apparent cause."

"I was quite nervous too, and always felt tired and listless. Some days I would have no energy at all. I slept poorly at nights and would wake up in the mornings feeling all worn out."

"I saw Tanlac so highly indorsed by so many people I decided to take it myself and now I am certainly delighted to see a great improvement in my condition. Tanlac has done more for me than anything, as now I feel better than I have in a long time and have gotten back my strength and energy."

"My stomach is in good condition and my headaches have disappeared," was the statement made by Miss Ora Patrick, of 31 Trankla avenue, Grand Rapids, Mich.

Tanlac, the national tonic, is prepared from roots, barks and herbs, and is nature's own remedy and has been publicly indorsed by over 250,000 people who have been relieved of stomach troubles, indigestion, accumulation of gas, nervousness, sleeplessness, rheumatism, catarrhal and kidney affections and has made them feel young and vigorous again and renewed their strength and ambition.

Tanlac can be obtained here only at the store of Look-Paterson Drug Co. Tanlac can also be obtained at the store of T. A. Goodman at Ithaca.

"What do you know  
about that—a MILD  
cigarette that satisfies!"

Chesterfields have done "the impossible"—they satisfy and yet they are not strong. They are MILD! Chesterfields do for your smoking what bacon and eggs do for your breakfast—they satisfy.

And yet Chesterfields are MILD—that's the point.

No other cigarette can give you this new enjoyment (satisfy yet mild) because no cigarette maker can copy the Chesterfield blend.

This blend is an entirely new combination of tobaccos and is undoubtedly the most important new thing in cigarette making in 20 years.

Leggett & Myers Tobacco Co.
